Feb 20 Andrew

Feb 27 Paul

Mar 5 Trefor

Mar 12 Alan

Mar 19 Wilf

Mar 26 Mike H

I thought it would be useful to append a list of the responsibilities of the member on duty on club nights:

- 1) Put club display board outside main door
- 2) Bring folding table from room 1 for display of club notice boards
- 3) Bring 4 noticeboards from small room and display (I am awaiting further instructions from the CC management as to the storage of noticeboards)
- 4) If a match- night set out cups/ saucers etc in kitchen
- 5) Open equipment cupboard and set out sets/ boards/ clocks/ scoresheets/ results' books.
- 6) Close CC curtains in room 3
7. Liaise with team captain(s) re match requirements.
- 8) At end of session encourage members (esp. juniors)to put equipment away

Thanks to all rota members in advance - other members please help when able to do so!

Library: the club's book collection has been "rationalised" - the most useful books are now stored on the top shelf of our new cupboard. The remainder are currently awaiting disposal in a storeroom but any member who wishes to lay claim to any of those should ask the secretary.

Keith Arkell: possible simultaneous display: we are hoping to organise another simul towards the end of the season - I will make enquiries about Keith's availability.

Attendance has been excellent recently and a large number of championship games have been played. Paul will update the charts on the website on his return from holiday.

Finally, congratulations to Aarv Paul on winning the Under 13 section at the recent TBGS junior tournament.
